

MORRIS DANCE INTENSIVE AT PINEWOODS

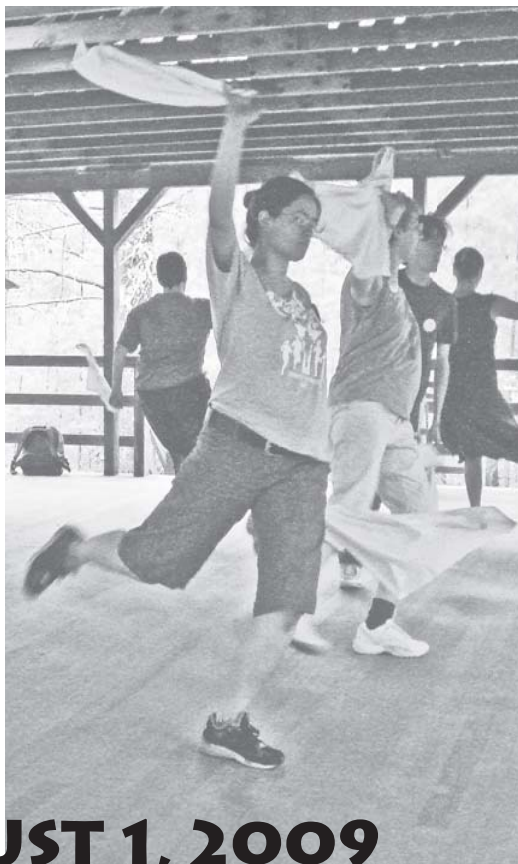

For experienced morris dancers who want to work on key moves and moments in the dance, and the relationship with your musician.

We'll analyze two to four Cotswold traditions and the superlative teams which illustrate them; and hone in on the moves, figures, and dances which define those traditions.

When you're not dancing, expand your song repertoire with the experienced staff of Folk Music Week.

\$695 (full week)
