

Hemichordata & Chordata

- Hickman et Harley Chap. 17

Phylogénie Hemichordata & Chordata

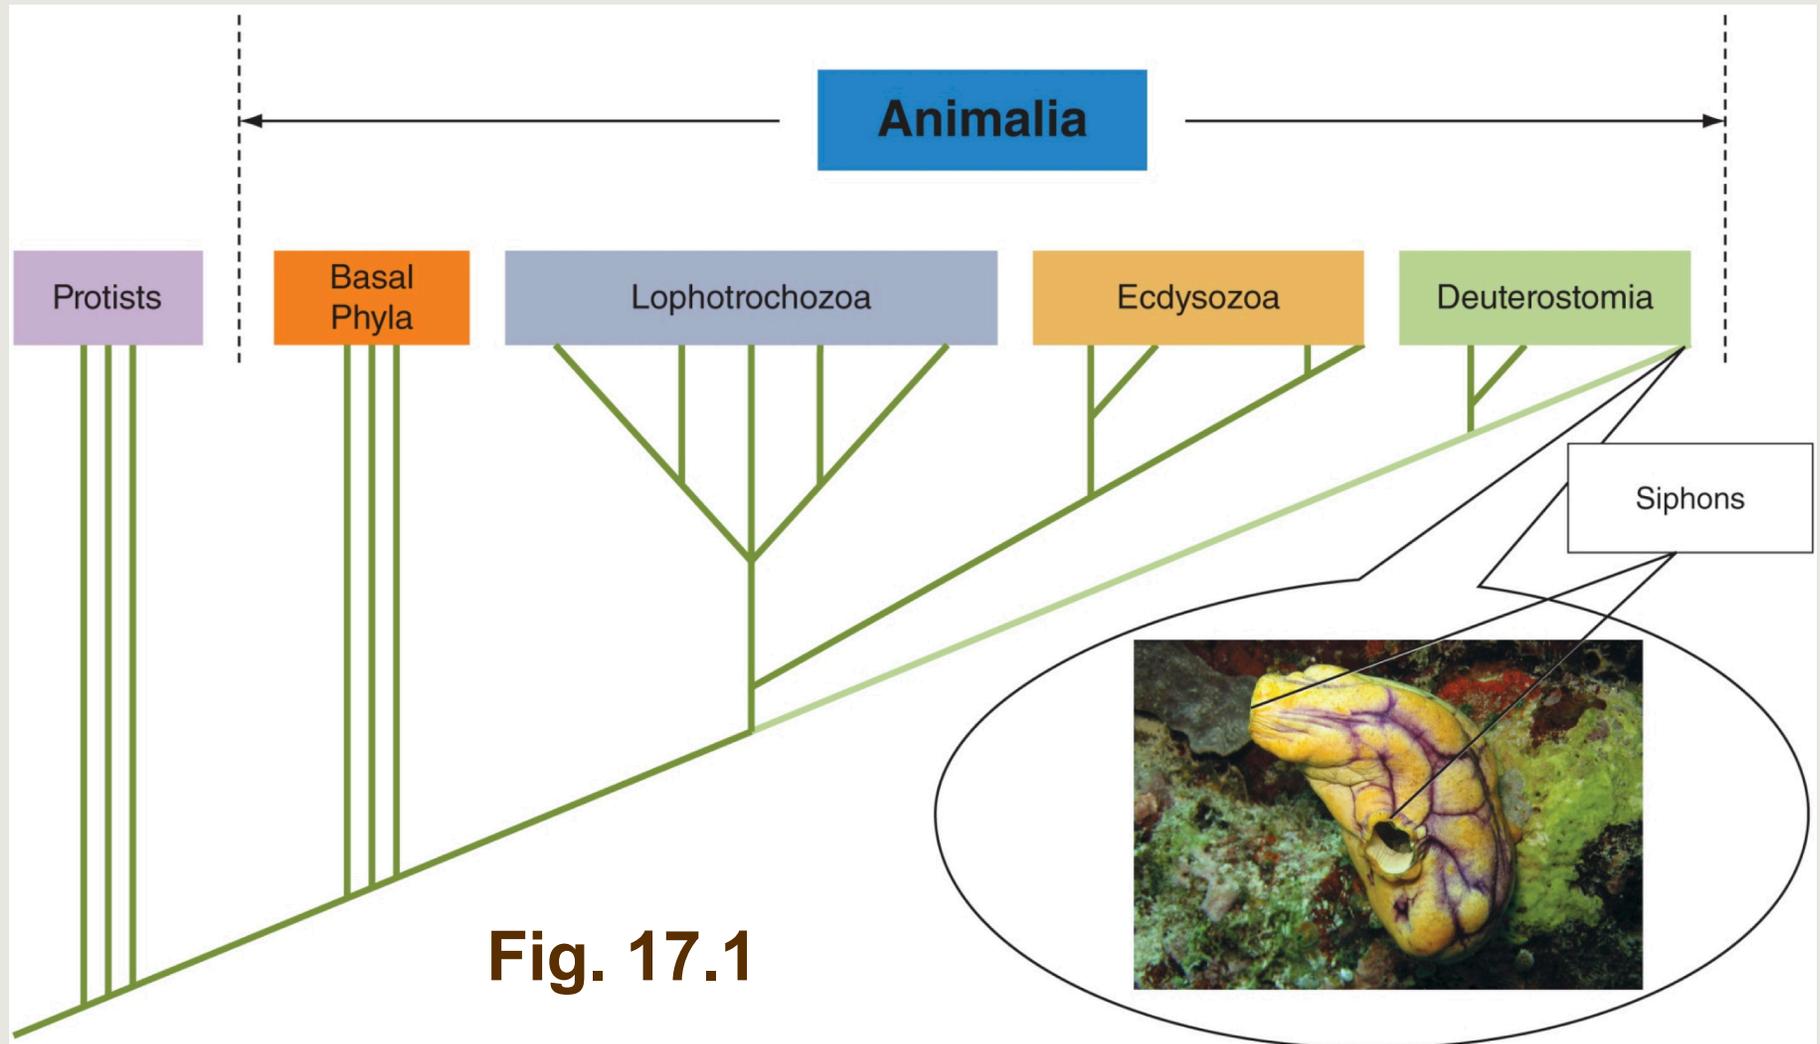

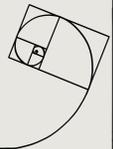

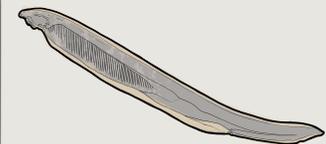

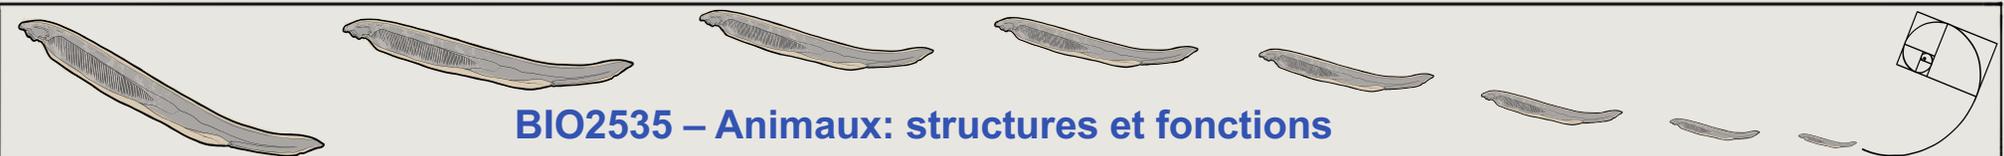

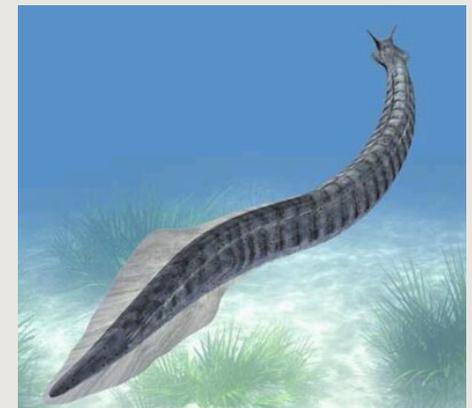

Fig. 17.1

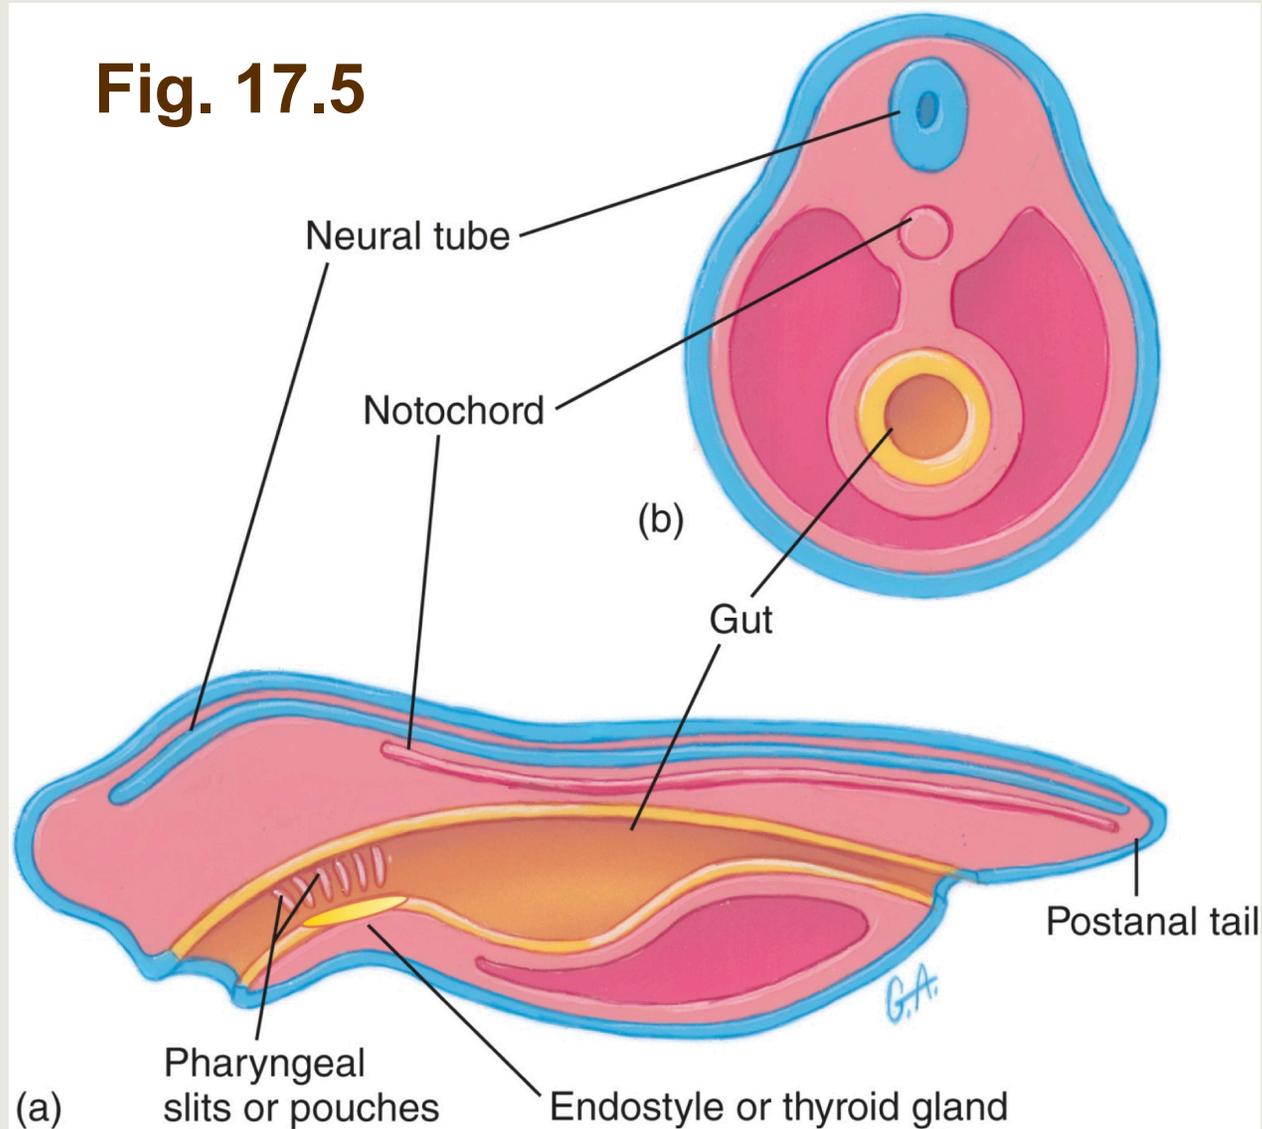

Taxonomie Hemichordata & Chordata

- **Phylum Hemichordata**
 - Classe Enteropneusta
 - Classe Pterobranchia
- **Phylum Chordata**
 - Sous-Phylum Urochordata
 - Sous-Phylum Cephalochordata
 - Sous-Phylum Craniata

Caractéristiques des Chordata

Fig. 17.5

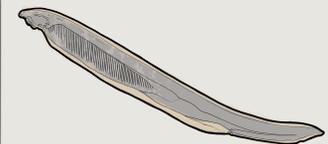

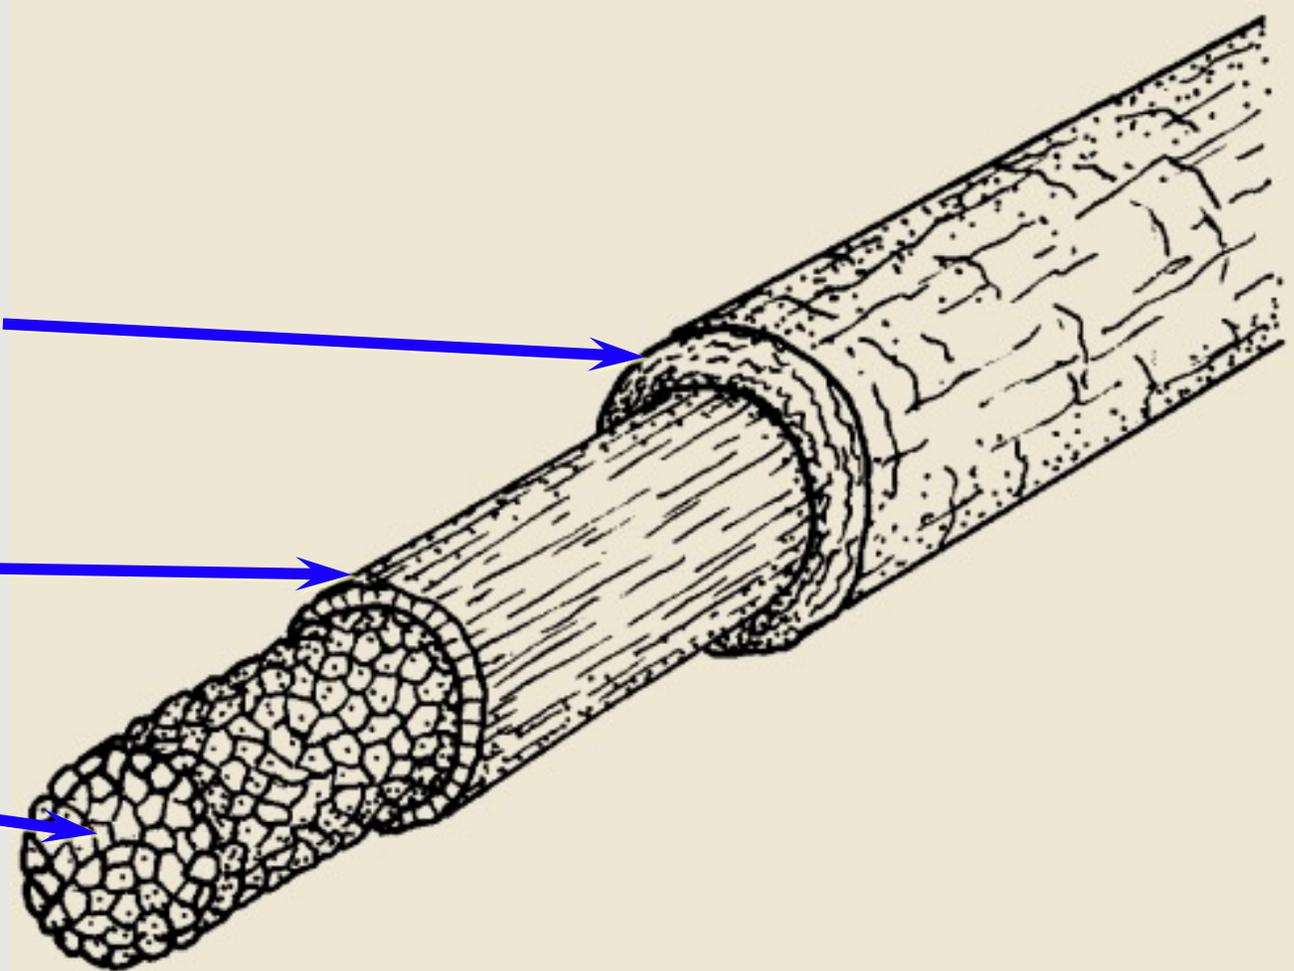

Notocorde

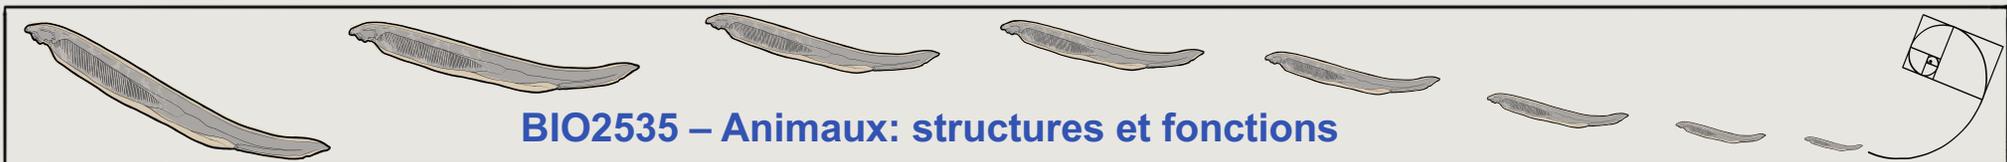

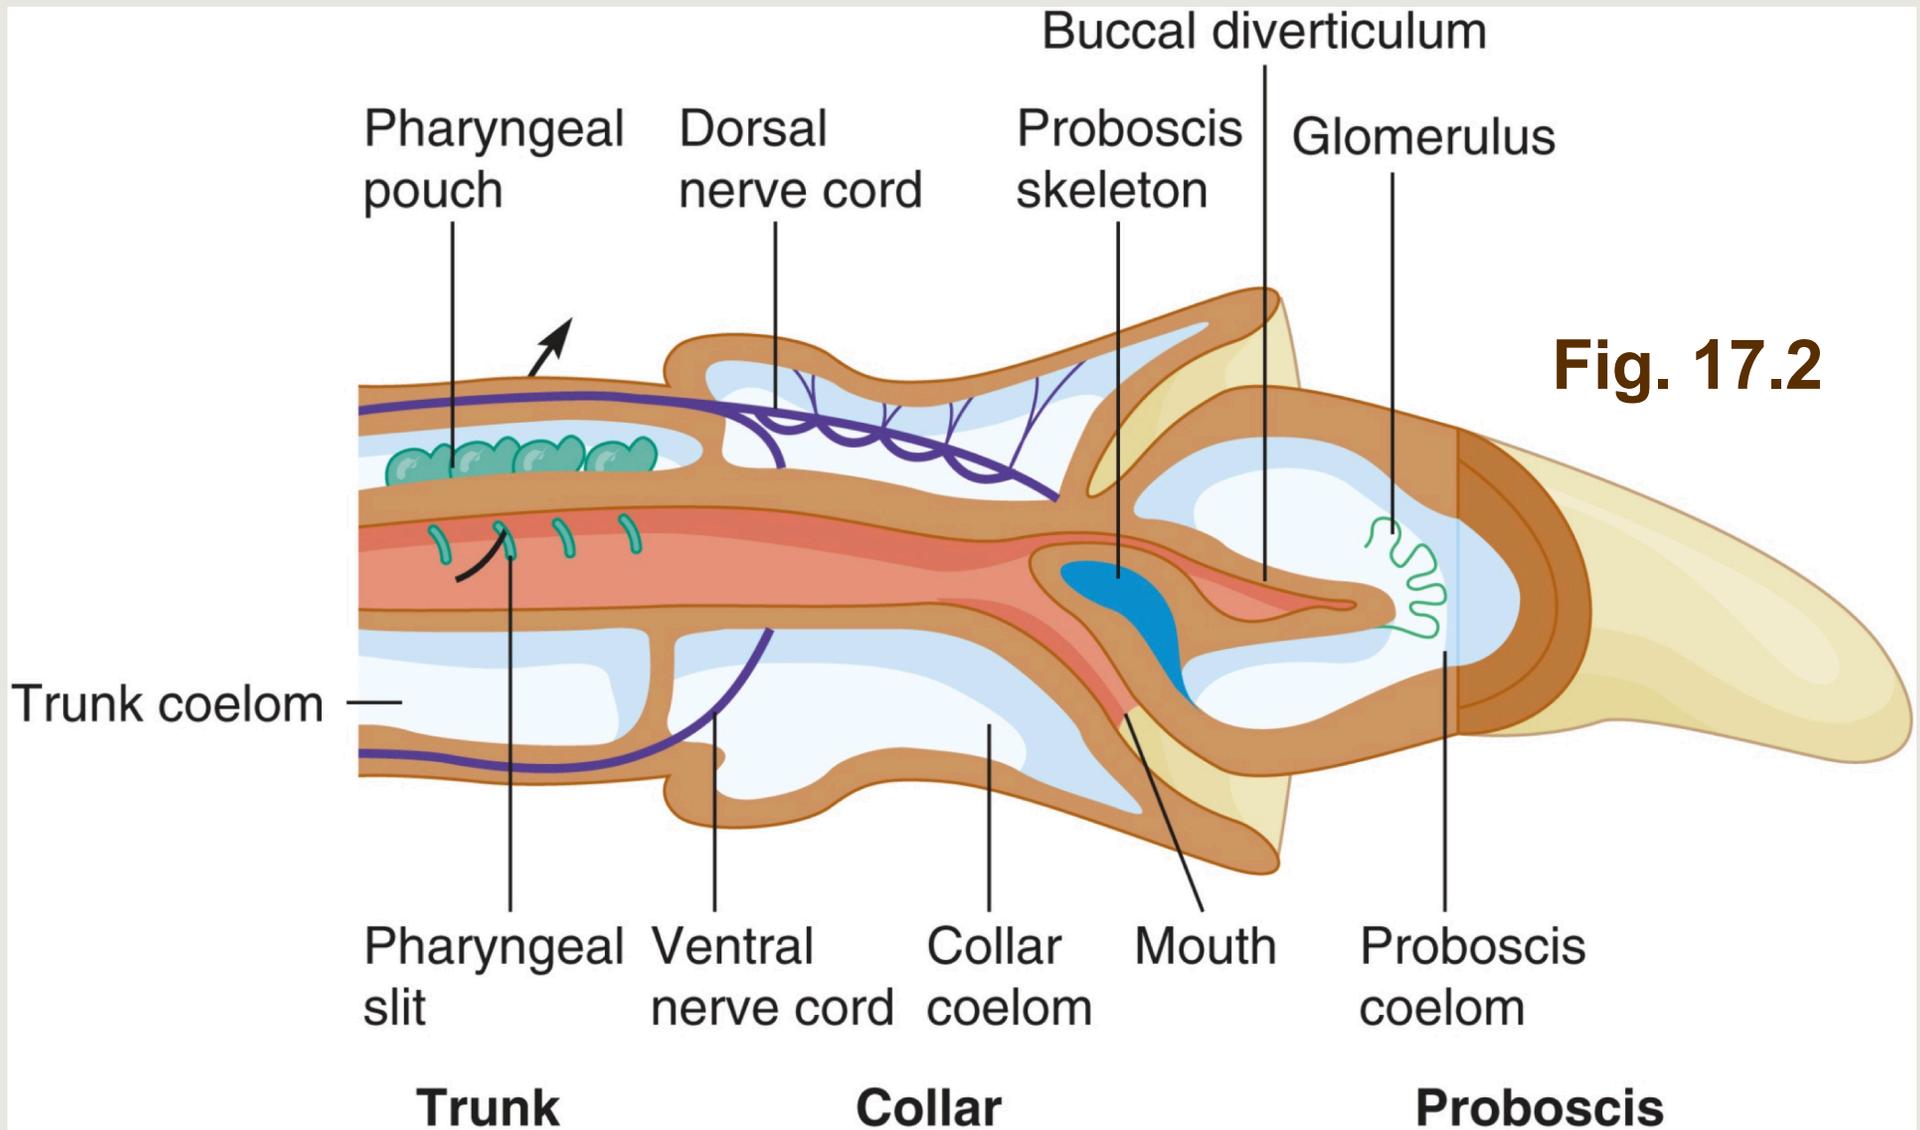

Gaine élastique

Gaine fibreuse

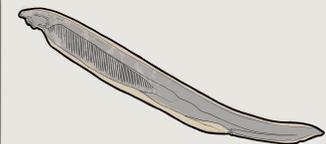

Notocorde

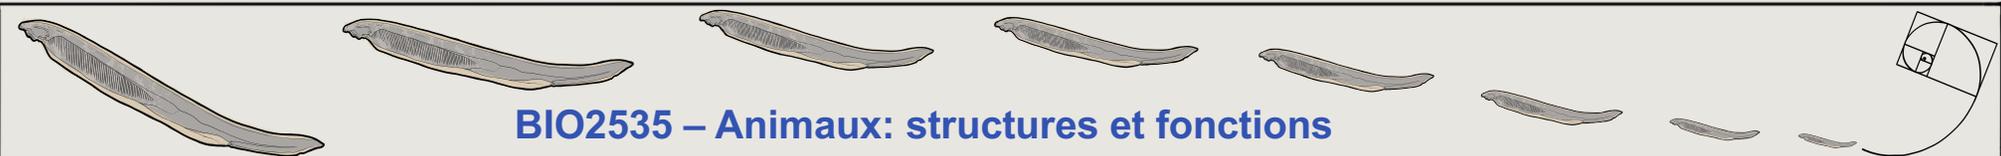

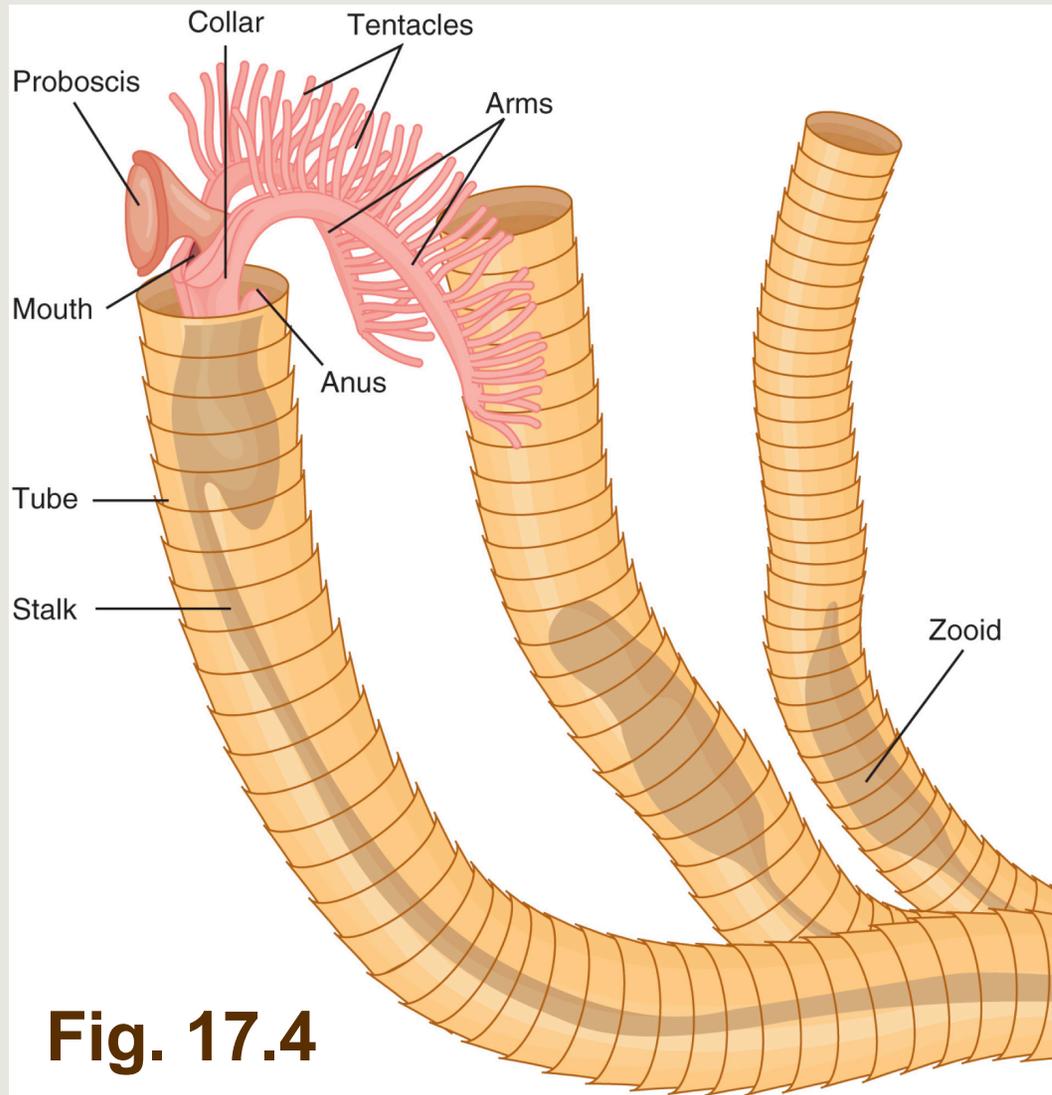

Hemichordata: Classe Enteropneusta

Vers Gland Fouisseurs

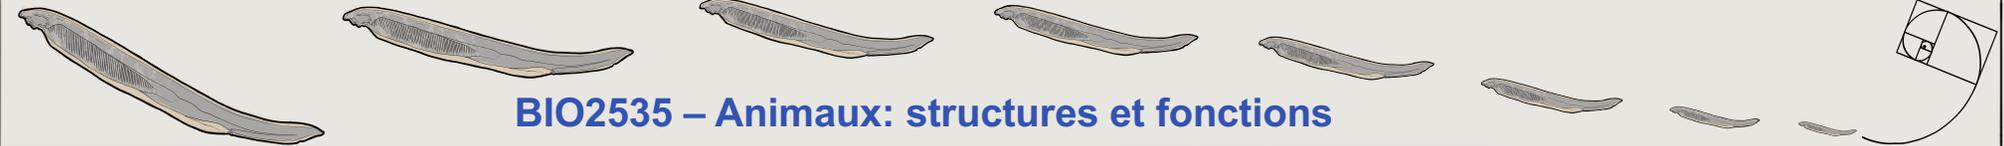

Hemichordata: Pterobranchia

Chordata: Sous-Phylum Urochordata

Fig. 17.6

Anatomie Urochordata

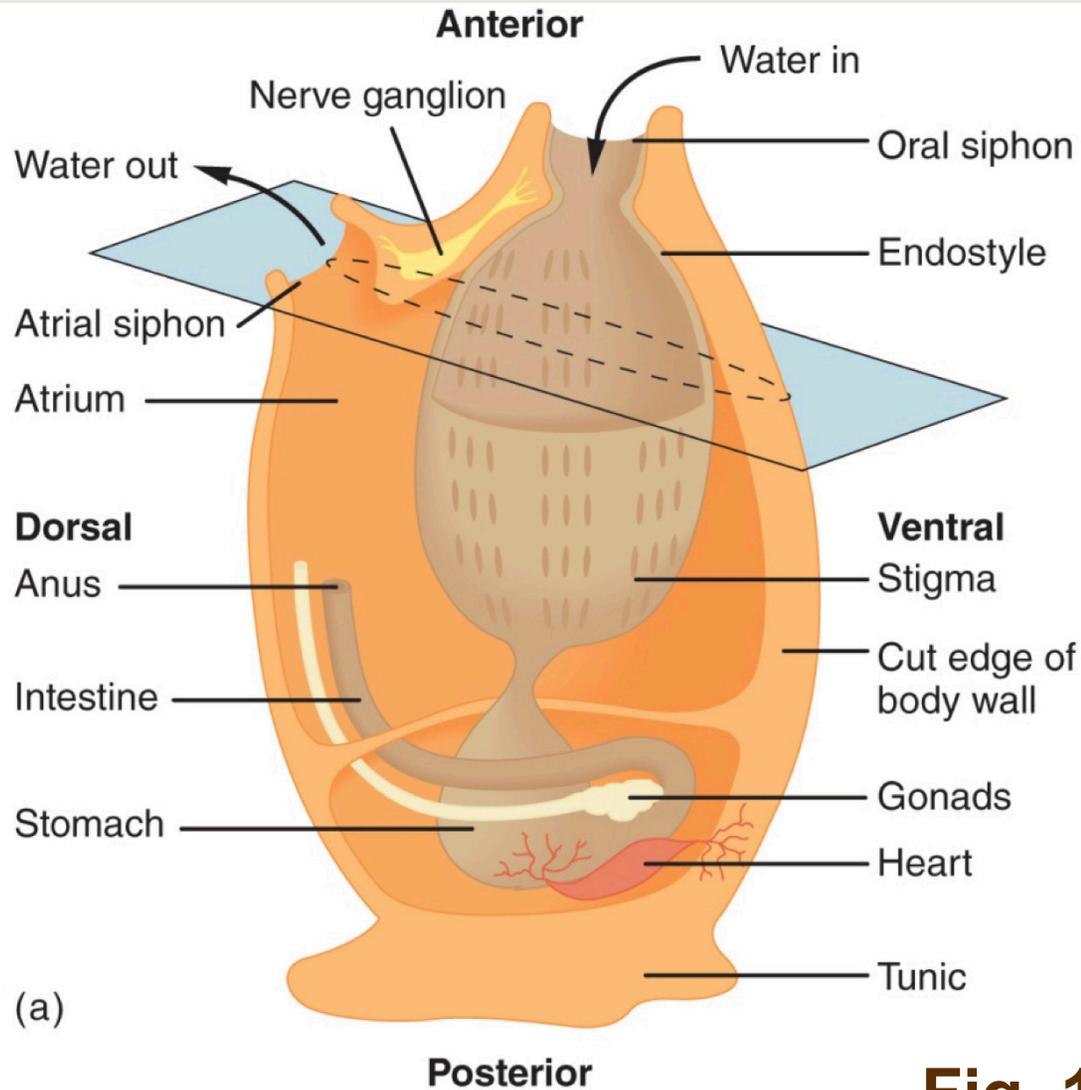

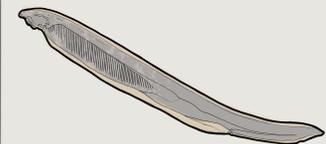

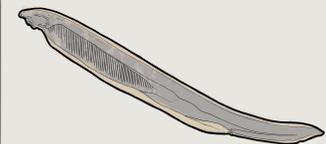

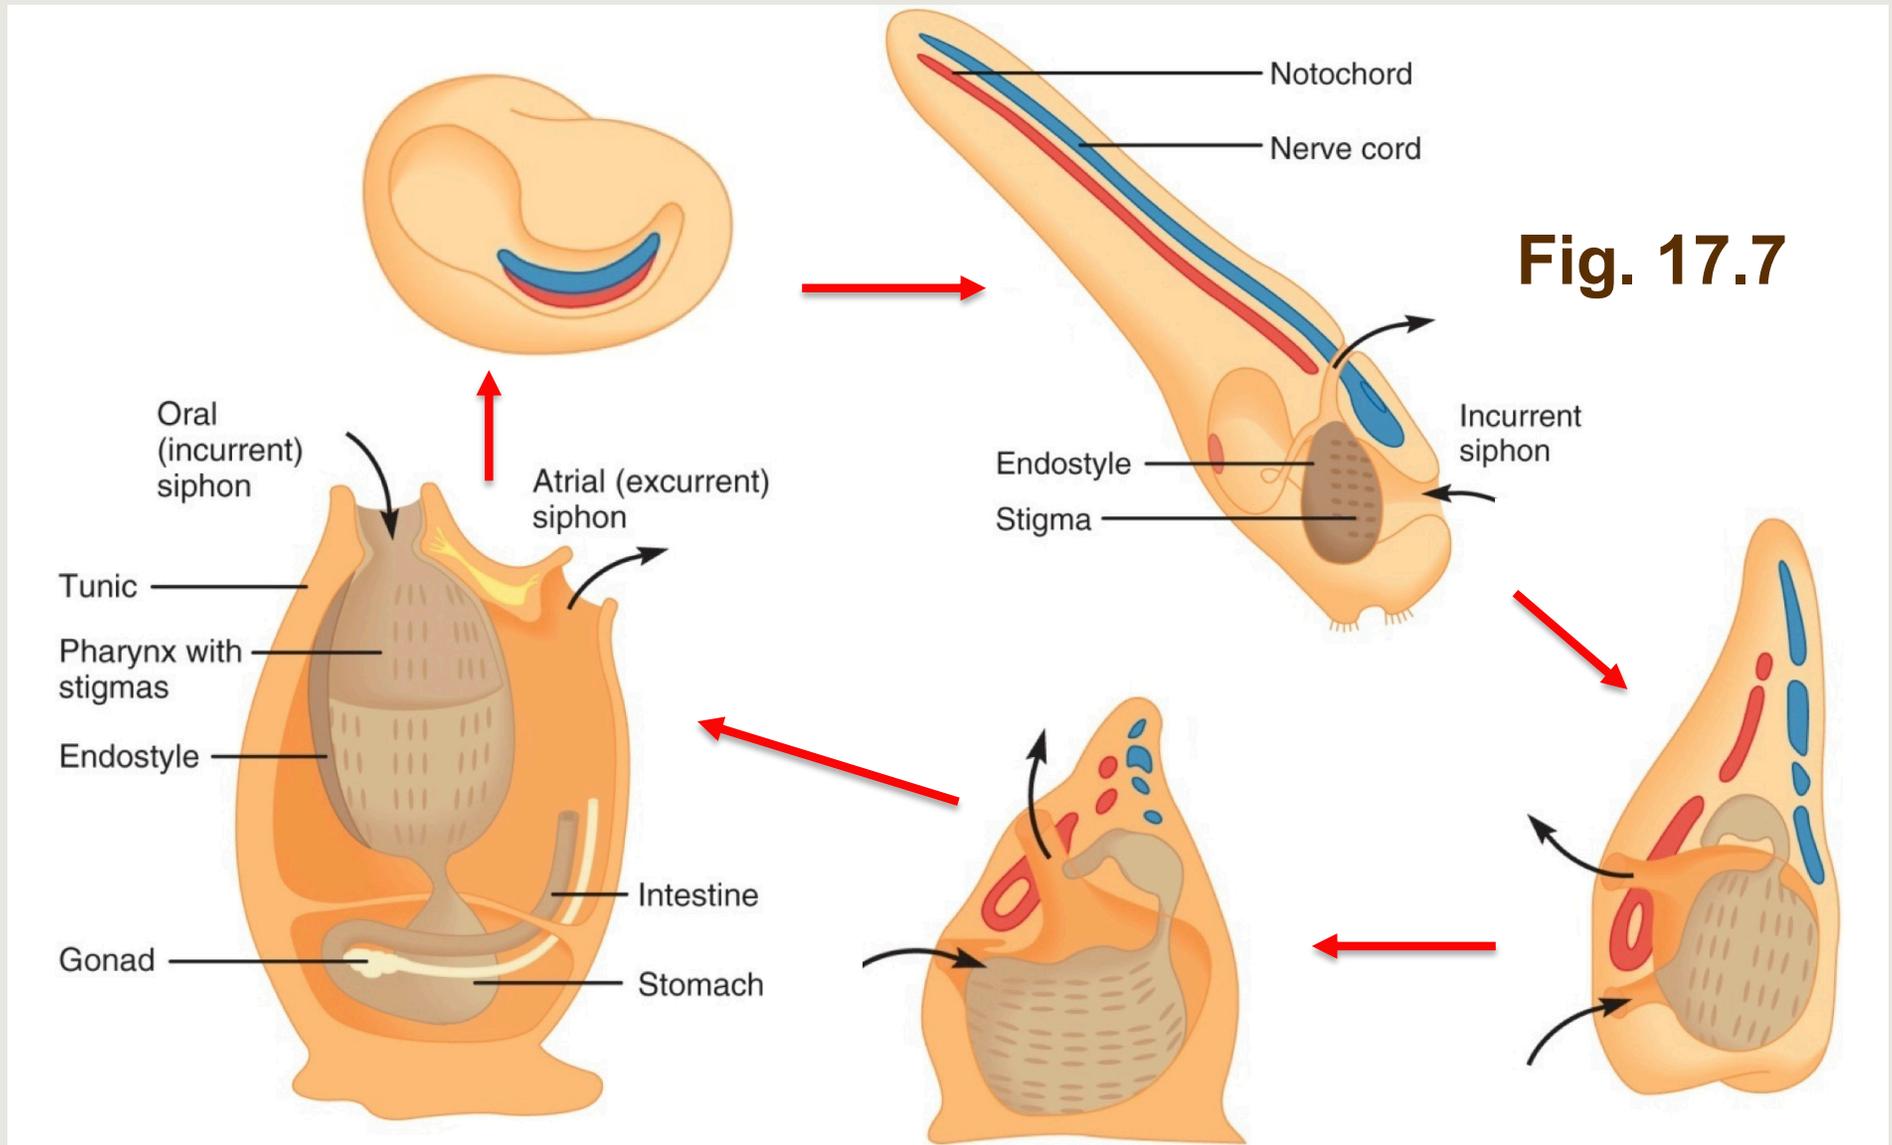

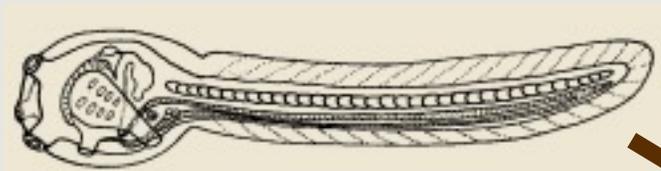

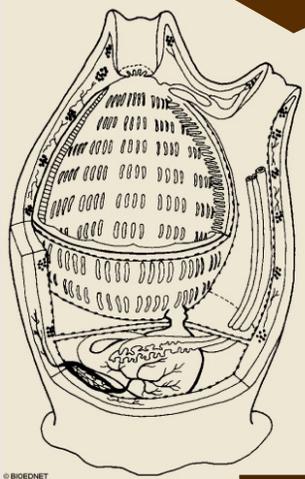

Fig. 17.8

Métamorphose Urochordata

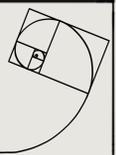

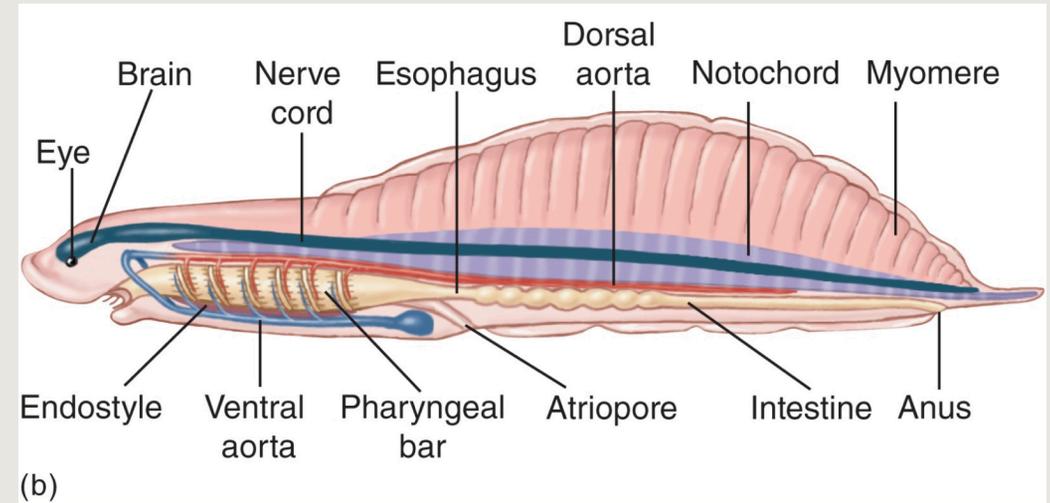

Hypothèse de Garstang

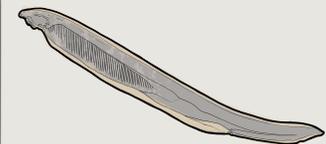

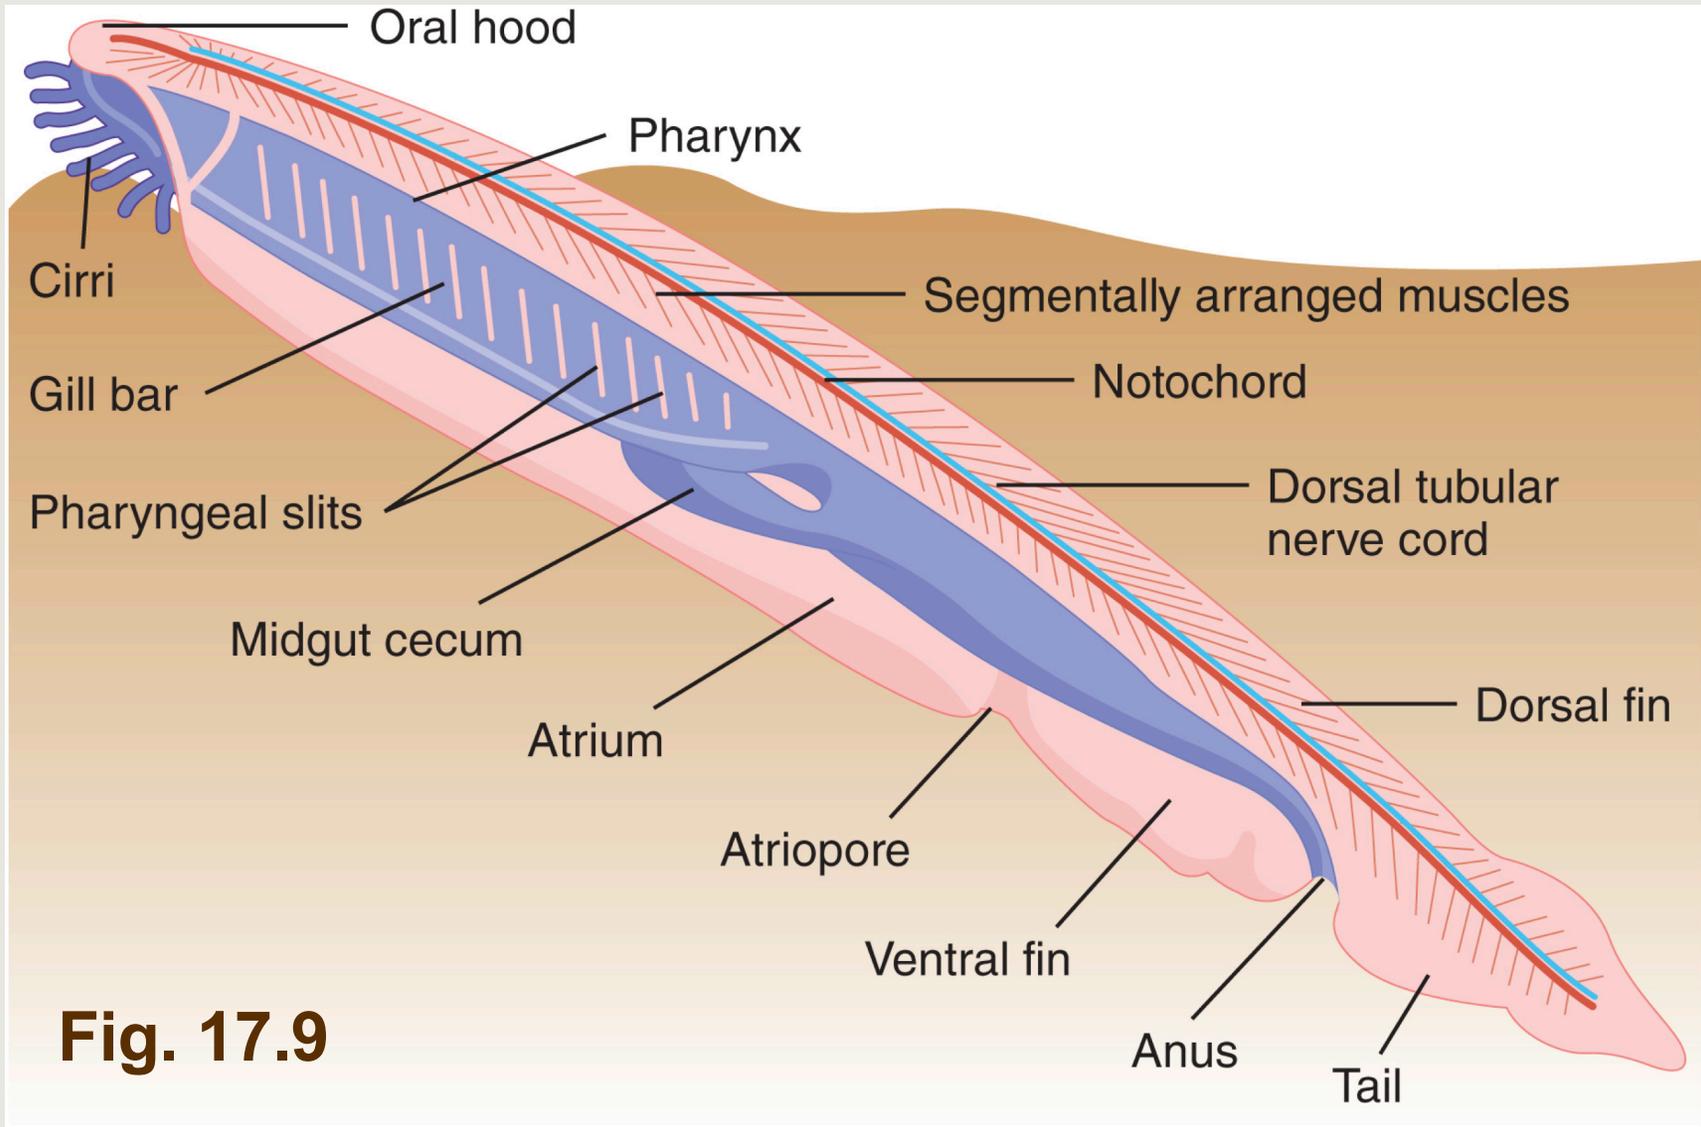

Métamorphose

Paedomorphose

Boîte 17.1

Sous-Phylum Cephalochordata

Prochain Cours - Poissons

- Hickman et Harley Chap. 18
